NOTICE: We have moved our annual Fall machinery consignment auction to St. Leo again this year and with the help of the St. Leo K of C, have put together a great auction. We have an excellent lineup from the Kingman County area as well as several consignments from our normal State-Line area.

A share of the commissions will go to the St. Leo K of C to be used in support of the ministry and scholarships. **There are little to no small items listed at publication so please be on time.** All information is taken from sources to be reliable, however, auction company makes no guarantees. Bidders should inspect items prior to bidding. Other items will be consigned by sale time. Terms: Cash or Good Check with ID.
